

Earn cash and school supplies for Prairie Vista

No need to spend extra. Make your existing purchases count towards cash and points for our school!

1) Labels and Coupons: Look for these labels and coupons on products you buy. Cut and save them. Then wait for contest announcements. Your child's grade can win a prize while helping to earn hundreds of dollars for Prairie Vista Elementary.

Each label = \$0.24

Each coupon = \$0.10

2) Store Cards: Register your existing store reward, or debit and credit cards. Prairie Vista will earn a portion of what you spend!
